

Ghana Outlook

If you would like to become a financial supporter of Ghana Outlook, you may be reassured **that all administrative costs are met by the Trustees personally** and there are no salaried staff working for the charity, everyone is a volunteer. So every penny donated is used to help relieve the poverty and support self help schemes in Ghana

The simple gift form enclosed should only take a moment or two to fill in.

You may choose to

- ◆ Make a **standing order** from your bank each month directly into GO 's account.

- ◆ Ask your employer to deduct your donation through **Payroll Giving**. The government is currently offering to match donations with 10% of the value of your donation, plus the 28% tax back.

If you are a tax payer you can authorise GO to claim the **TAX BACK**. If your gift is £10 we get £2.80 back from the government! (providing you pay the equivalent amount of tax per year as the claim.)
